

TDK Life on Record

## USB Belt Drive Turntable

### A music experience that's true to life

Enjoy the timeless feel and analog warmth of vinyl. The TDK Life on Record USB Belt Drive Turntable delivers quality construction and precision performance for a music experience the way it should be.

This advanced belt-driven turntable supports both 33 1/3 and 45 RPM playback speeds while the "floating" design isolates the platter and needle from external vibration. An innovative equalizer gives your music a visual heartbeat for all to see. The USB output and included software let you import tracks to a PC in MP3 format, or connect easily to other audio systems.

A unique tone arm design with integrated needle light and universal connection give you even more control; use almost any needle from standard to truly premium.

### TECHNICAL SPECIFICATIONS

Connection: USB (cable included)

Speeds: 33 1/3, 45 RPM
